Dear Sir/Madam,

Greetings from FACE - Focus Academy for Career Enhancement!

It was a pleasure connecting with you over the phone earlier in the day. Apropos the discussion, we are hiring candidates who have a passion in sales and want to build a career in the Sales & Marketing domain to be a part of Field Sales and Inside Sales team. Please find below a brief about our company and our expectations in short.

About FACE:

FACE is India's largest higher education focused Skill Development and Talent Company. With a decade-long experience in the Skill Development Industry, we have made a positive impact on 20,00,000+ learners across 2000+ institutions. We operate in three different verticals; Institutions - Offering Placement Readiness and Job Readiness Programs, Corporates - Offering full stack talent solutions and Government Projects.

Our expectations in short-

- Excellent communication skills
- Self-driven individuals
- Ability and aspirational to work in an entrepreneurial environment
- Good convincing skills
- Above all a militant passion for sales

The students can register for the process by clicking the link given below. The link will have also have a video which would give more details about the job and how it will help the students script a fabulous carer.
